Lender has made or is making a loan to Borrower in the principal amount of \${{LOAN_AMOUNT}} (the "Loan"), evidenced by a Promissory Note dated {{NOTE_DATE}} (the "Note"), secured by a Deed of Trust of even date covering property commonly known as {{PROPERTY_ADDRESS}} (the "Property"). As a condition of making the Loan, Lender requires the personal guarantee of the undersigned individuals (each a "Guarantor" and collectively "Guarantors"), who are members of Borrower and will directly benefit from the Loan. Guarantors are executing this Personal Guarantee (this "Guarantee") to induce Lender to make the Loan.

Guarantee

1. Guarantee of Payment. In consideration of Lender making the Loan to Borrower, each Guarantor, jointly and severally, unconditionally and irrevocably guarantees to Lender the full and prompt payment when due, whether at maturity, by acceleration, or otherwise, of all amounts owed under the Note and any instrument securing the Note, including the outstanding principal balance, all accrued and unpaid interest, the origination fee, any renewal fee, late charges, attorney's fees, court costs, and all other amounts due or to become due under the Note or Deed of Trust (collectively, the "Obligations"). This Guarantee is a guarantee of payment and not merely of collection.

2. Unlimited and Unconditional. This Guarantee is unlimited in amount and covers all Obligations in full. The liability of each Guarantor under this Guarantee is primary, absolute, and unconditional. Lender may proceed directly against any Guarantor without first pursuing any remedy against Borrower, any other guarantor, or any collateral securing the Obligations.

3. Renewal and Extension. This Guarantee extends to and covers any renewal or extension of the Note, including the three-month renewal term exercisable by Borrower pursuant to the Renewal Option clause of the Note, and any modifications or amendments to the Note or Deed of Trust agreed to in writing by Lender. Guarantors' liability under this Guarantee shall not be affected or reduced by any such renewal, extension, or modification.

4. Waivers. Each Guarantor waives, to the fullest extent permitted by law: (a) notice of acceptance of this Guarantee; (b) notice of the creation, existence, or amount of the Obligations; (c) notice of any

default by Borrower; (d) demand for payment, presentment, protest, and notice of protest; (e) any right to require Lender to proceed first against Borrower or any collateral; (f) any defense based on the impairment or release of collateral; and (g) any other defense available to a guarantor under applicable law, except the defense of payment in full of the Obligations.

5. Continuing Guarantee. This Guarantee is a continuing guarantee and shall remain in full force and effect until all Obligations have been paid and satisfied in full. This Guarantee may not be revoked by any Guarantor while any Obligations remain outstanding.

6. Independent Obligations. The obligations of each Guarantor under this Guarantee are independent of the obligations of Borrower and of each other Guarantor. A separate action may be brought against any Guarantor without affecting any action against or the liability of any other Guarantor. The release of one Guarantor shall not release any other Guarantor.

7. Lender's Rights Preserved. Lender may, without notice to or consent of Guarantors and without affecting any Guarantor's liability under this Guarantee: (a) extend or modify the time of payment or other terms of the Obligations; (b) accept partial payments; (c) release or substitute any collateral securing the Obligations; (d) release or substitute Borrower or any other guarantor; or (e) exercise or refrain from exercising any right or remedy against Borrower or any collateral.

8. Attorney's Fees and Costs. If Lender retains an attorney to enforce this Guarantee, each Guarantor agrees to pay Lender's reasonable attorney's fees and all court and other costs incurred in connection with such enforcement. Such fees and costs shall bear interest from the date of advance at the rate stated in the Note for matured, unpaid amounts.

9. Subrogation. No Guarantor shall exercise any right of subrogation against Borrower or any right of contribution against any other guarantor until all Obligations have been paid and satisfied in full.

10. Governing Law. This Guarantee shall be construed under the laws of the State of Texas, without regard to choice-of-law rules of any jurisdiction. Venue for any dispute arising under this Guarantee shall be in Dallas County, Texas.

11. Binding Effect. This Guarantee shall be binding upon each Guarantor and their respective heirs, executors, administrators, legal representatives, successors, and assigns, and shall inure to the benefit of Lender and its successors and assigns.

12. Severability. If any provision of this Guarantee is determined to be invalid or unenforceable, the remaining provisions shall remain in full force and effect.

13. Entire Agreement. This Guarantee constitutes the entire agreement of the Guarantors with respect to the subject matter hereof and supersedes all prior discussions, representations, and agreements relating to this Guarantee.
